Welcome to Earth Bound

Our commitment to conservation, preservation and living an integrated lifestyle with the earth we work on is apparent throughout our gardens, greenhouses and gift shop. We support organic practices, use xeriscaping & permaculture techniques and recycle diligently.

Experienced horticulturalists, John, Judy, Brenda welcome you to their gardens. They are on site to assist you with your gardening questions and needs.

Earth Bound offers:

• Touring Gardens.

The sights, the sounds, tastes, solitude and peace found at various times of any given day are what keep us passionate about gardening. We believe that gardens are for living in: a summer extension of our home. Created with passion, they are open to be enjoyed.

• Garden Centre & Greenhouses

- We grow our own stock organically
- Ontario Native Plants/Shrubs/Grasses
- Organic soils, fertilizers & bug control
- Pond Supplies
- Unique Fountains and Birdbaths
- Sculpture Garden!
- Pondscaping/Landscape Design

• Gift Shop "Under the Dome"
